me: http://www.youtube.com/watch?v=VSl9L6XNQKI
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: alright
evilevilcouch@gmail.com: that was boring
me: most others don't think so
me: it's a two-minute clip
me: including ironic whining by a faggot
evilevilcouch@gmail.com: i'm not in that stuff, though
me: yeah
evilevilcouch@gmail.com: not criticizing it
evilevilcouch@gmail.com: just saying i found it uneventful
me: gotcha
me: I'll have others
me: soon
evilevilcouch@gmail.com: oh neat
evilevilcouch@gmail.com: mike, new roommate, is a leo
me: how now?
evilevilcouch@gmail.com: hahaha
evilevilcouch@gmail.com: you are a leo
me: oh good
evilevilcouch@gmail.com: mike has a scorpio moon though
evilevilcouch@gmail.com: he's very calm
evilevilcouch@gmail.com: does not seem "leo" like to me
evilevilcouch@gmail.com: he's very calm and understanding
evilevilcouch@gmail.com: he smokes a lot of weed tho
evilevilcouch@gmail.com: hahaha
evilevilcouch@gmail.com: he told me how he used to be really ridiculous though
evilevilcouch@gmail.com: like in his early 20s
evilevilcouch@gmail.com: rose has a leo rising and mars
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: you have a leo rising
evilevilcouch@gmail.com: i dunno what mike's rising sign is...prob pisces or something though
evilevilcouch@gmail.com: lol did i tell you he's missing a tooth?
evilevilcouch@gmail.com: it's sorta funny
evilevilcouch@gmail.com: rising sign = how you appear to others superficially
evilevilcouch@gmail.com: my rising and moon are in sagitarrius

evilevilcouch@gmail.com: => i appear bubbly, optimistic, energetic, etc (saggitarius)
evilevilcouch@gmail.com: your moon (feelings) is in aquarius, my mars (how i go about getting what i want) is in aquarius
evilevilcouch@gmail.com: aquarius => suppresses emotion
evilevilcouch@gmail.com: i'm sort of a robot when i work, haha
evilevilcouch@gmail.com: aquarius moon => having a political agenda, hahaha
evilevilcouch@gmail.com: your mars (how you get what you want) is in cancer. i don't know what that means, really, but apparently those with mars in cancer tend to be passive aggressive
evilevilcouch@gmail.com: mmmn
evilevilcouch@gmail.com: this soup is going to be so tasty!
evilevilcouch@gmail.com: :D
evilevilcouch@gmail.com: whatchu doin?
evilevilcouch@gmail.com: hey barrett
me: o
me: yo
me: just chattin' with this conservative blogger/prosecutor
evilevilcouch@gmail.com: hey
evilevilcouch@gmail.com: how are you feeling?
me: pretty good
evilevilcouch@gmail.com: i'm just worried about you
evilevilcouch@gmail.com: your twitter feed worries me
me: why?
evilevilcouch@gmail.com: i dunno
evilevilcouch@gmail.com: there's a lost of grandiose statements and such
evilevilcouch@gmail.com: well
evilevilcouch@gmail.com: bombast, i guess
me: example?
evilevilcouch@gmail.com: just the varying threats and such
evilevilcouch@gmail.com: i don't know
evilevilcouch@gmail.com: :(
me: sorry, not ignoring you, just in discussion with Patrick Frey
evilevilcouch@gmail.com: i feel silly mentioning this to you because i'm afraid that you'll get mad at me
me: I'm fine, sweetheart, those tweets were done for tactical reasons
evilevilcouch@gmail.com: i know, but
evilevilcouch@gmail.com: it just all reads very manic
evilevilcouch@gmail.com: i just want you to know that i love you
evilevilcouch@gmail.com: but i fear that your working on all this with the lack of opiates is driving you toward that
evilevilcouch@gmail.com: i'm not saying that any of what you're doing has weight or importance

evilevilcouch@gmail.com: it does
evilevilcouch@gmail.com: it holds lots of weight and is of great importance
evilevilcouch@gmail.com: you are extremely intelligent and have garnered a lot of influence throughout your lifetime, and especially over the past few months
evilevilcouch@gmail.com: but i'm just worried that with you spending most of your time by yourself in your room without much external, irl human interactions, that you're prob becoming manic
evilevilcouch@gmail.com: i'm not saying this as any sort of judgement or criticism
evilevilcouch@gmail.com: i've been manic
evilevilcouch@gmail.com: but that is why i worry so
evilevilcouch@gmail.com: because i know
evilevilcouch@gmail.com: because after the mania
evilevilcouch@gmail.com: comes the crash
evilevilcouch@gmail.com: and i don't think i could save you then
me: well, I'm not really manic at this point
me: you may be reading too much into those posts
me: we're playing a sort of chess match
evilevilcouch@gmail.com: hypomanic, if anything
me: with several people
evilevilcouch@gmail.com: what people?
me: and also keeping in mind propaganda for internal consumption
me: well, let's see
me: about half a dozen companies
me: Chamber of Commerce
me: everyone within those entities
me: the squad of ex-Anons
me: etc
me: brb, still talking
evilevilcouch@gmail.com: btw why are you talking to patrick frey?
me: making a deal
evilevilcouch@gmail.com: on?
me: he's a California prosecutor in addition to being a blogger with whom I share a couple of enemies
evilevilcouch@gmail.com: ah
me: he wants something done
evilevilcouch@gmail.com: about?
me: the second entry on google for his name
evilevilcouch@gmail.com: haha
me: is a post by Jeff Goldstein in which he basically insinuates that he's an anti-semite
me: Goldstein is a piece of shit
evilevilcouch@gmail.com: ah
me: anyway

me: trying to figure out what we can do
me: because
me: I could use a friendly Cali state prosecutor
me: for info, etc
me: meanwhile
me: it would be funny to see him get caught in Anon's web
me: if I get raided or if feds are spying, etc
evilevilcouch@gmail.com: hahahaha
evilevilcouch@gmail.com: yeah
me: so, it's win-win
me: talking to a hacker now
me: also wouldn't mind seeing Goldstein lose his life's "work"
me: guy's a chump
evilevilcouch@gmail.com: lol
me: was one of my first intel targets
me: we were enemies, and then I made him a friend
me: largely by holding out possibility of getting him real work
me: and then I went from there, lol
me: but he seriously is a fucked-up person
evilevilcouch@gmail.com: which one?
evilevilcouch@gmail.com: patrick frey or goldstein?
me: goldstein
evilevilcouch@gmail.com: oh
me: frey is actually a pretty good guy
me: conservative
me: runs anti-gang unit in Cali
evilevilcouch@gmail.com: neat
me: willing to make corrections unlike most bloggers
evilevilcouch@gmail.com: interesting
evilevilcouch@gmail.com: well, i'm just suggesting to maybe par down your twitter with threats a bit?
evilevilcouch@gmail.com: i understand you're doing what you're doing and it's all apart of your plans and such
evilevilcouch@gmail.com: but i don't think it's a good idea to have so many threats in one's twitter
evilevilcouch@gmail.com: because people don't understand the context
evilevilcouch@gmail.com: i think it'll prob bite you in the ass in the future
evilevilcouch@gmail.com: well, near future
me: I understand
evilevilcouch@gmail.com: with pulling more people into your operations and such
me: I'll be more careful
me: just had to reference Palantir

me: don't think I made any direct threats
evilevilcouch@gmail.com: it'll just make your life easier with less threats on your twitter
evilevilcouch@gmail.com: i know, but threats in general
evilevilcouch@gmail.com: it comes off as bombastic
evilevilcouch@gmail.com: and that isn't particularly your intention
evilevilcouch@gmail.com: i'm just saying from a perspective that isn't inside your own head or up to date on every single thing you're up to
evilevilcouch@gmail.com: because, when i know it within context, it makes sense
me: I know
me: understood
evilevilcouch@gmail.com: but it'll make others you will come into contact with question your integrity/stability
evilevilcouch@gmail.com: because they do not know the dialogue
evilevilcouch@gmail.com: i know that you don't care on how you may appear, but it's just an observation that i feel is pertinent for the near future
evilevilcouch@gmail.com: mainly for people that don't know who you are that may look you up
evilevilcouch@gmail.com: i know you have influence and many connections, but those who don't know may look at your twitter, and then may not take you seriously
evilevilcouch@gmail.com: that's my concern
me: no, I do care about how I appear
me: for several reasons
me: so yeah, I appreciate the advice and will take it
evilevilcouch@gmail.com: oh
evilevilcouch@gmail.com: :)
evilevilcouch@gmail.com: i'm not sure if you're going to delete any tweets, but i would possibly suggest doing so
evilevilcouch@gmail.com: mainly for when the new people you come in contact with google you
evilevilcouch@gmail.com: i just think the threats and dialogue should be pared to a minimum, if not nil
me: which ones?
evilevilcouch@gmail.com: hm, lemme look
evilevilcouch@gmail.com: the latest one
evilevilcouch@gmail.com: maybe the one with calling tom callamore
evilevilcouch@gmail.com: mainly because it doesn't convey anything pertinent
evilevilcouch@gmail.com: it's just a "call me later"
evilevilcouch@gmail.com: for any person browsing, they may expect something interesting to have divulged, but nothing was
evilevilcouch@gmail.com: i'm not saying that it's bad to have it up, but it pushes more pertinent tweets down
me: no, I think you misunderstand

me: do you know what Chamber of Commerce did?
evilevilcouch@gmail.com: nope
me: okay
evilevilcouch@gmail.com: but most people won't
me: it says so on the video
evilevilcouch@gmail.com: they paid monies for the wikileaks crap or something?
me: like, in the text
me: and in the video
me: no
me: they were going to target peoplkes children
me: research them
evilevilcouch@gmail.com: oh, i'm just looking at it as a casual observer
me: find out if they're on drugs or whatever
evilevilcouch@gmail.com: okie dokie
me: and he got pissed because he got a call during "family dinner"
me: it was a hit, trust me
evilevilcouch@gmail.com: i'm only mentioning it because not everyone will pay as much close attention to those details
evilevilcouch@gmail.com: that's fine
evilevilcouch@gmail.com: i'm not disagreeing with you
me: yeah, but I'm not interested in everyone, just those who do pay attention
me: I don't mind being poorly-regarded by those who don'tr matter
me: I need to recruit
me: basically, although you're right about perception, etc
evilevilcouch@gmail.com: well, some people who may matter won't pay as much close attention at first because they're busy
me: okay
me: well, that's the case for a lot of things
evilevilcouch@gmail.com: lol, i know silly :-p
me: and I'm not sure I mentioned it but it was a hit
evilevilcouch@gmail.com: i'm just going down the twitter
me: I also need it up because I need to prove what was said
evilevilcouch@gmail.com: not saying everything i say is gold
evilevilcouch@gmail.com: yeah, that's fine, i agree with you
evilevilcouch@gmail.com: :)
evilevilcouch@gmail.com: hm, lol
evilevilcouch@gmail.com: i was going to say something about the "If we'd known Hoglund was a "serious badass," we wouldn't have destroyed his company and ruined his life. #hbgary <http://twitter.com/#!/search?q=%23hbgary> #aaronbarr <http://twitter.com/#!/search?q=%23aaronbarr>" tweet, but then i scrolled down and read the tweet two before
evilevilcouch@gmail.com: but one main thing for me to note that is biased in my perception and things

evilevilcouch@gmail.com: columnists and stuff use third person a bunch i guess
evilevilcouch@gmail.com: you're obviously referring to "we" as in anon and whatnot
evilevilcouch@gmail.com: but i guess part of that is a difference in style
evilevilcouch@gmail.com: so bscly that's fine, i guess
evilevilcouch@gmail.com: i guess the main thing that seemed really off/bombastic was the latest tweet
evilevilcouch@gmail.com: the "i guess my intel is better than yours..." is off putting
me: I disagree on that one
evilevilcouch@gmail.com: well, it's personal dialogue
evilevilcouch@gmail.com: and no one has the context
evilevilcouch@gmail.com: except those involved
evilevilcouch@gmail.com: and that with all the anonymous stuff
me: yes, but again, I've been doing this sort of stuff for a while and I've come out well
evilevilcouch@gmail.com: i'm just saying that it looks very manic to me
evilevilcouch@gmail.com: and i've been manic
evilevilcouch@gmail.com: so that's why i worry
me: I don't think anyone worthwhile is going to decline to get involved in a significant movement because I told two guys who have been libeling Egypt that I know better than them
me: don't worry
evilevilcouch@gmail.com: it's just bombastic to me
me: again, this is not at all different from how I've communicated in various circumstances for a while
me: that's fine
evilevilcouch@gmail.com: i know, but i'm just saying that it's on your twitter
evilevilcouch@gmail.com: i'm not saying that the way you communicate and have communicated is bad in any way
evilevilcouch@gmail.com: it's just that those dialogues are usually within those blogs and those realms
me: sweetheart, I understand, but I can't discuss it this much
me: I'm working on stuff right now
evilevilcouch@gmail.com: okie dokie
evilevilcouch@gmail.com: i just don't think it's a good idea to carry those types of dialogues to twitter
me: do you think you can make a poster at some point?
evilevilcouch@gmail.com: of which?
evilevilcouch@gmail.com: what?
me: for OpAlgeria?
me: like we discussed a while back
evilevilcouch@gmail.com: whoever's been designing the press releases seems to be doing an alright job
evilevilcouch@gmail.com: i can design the template

evilevilcouch@gmail.com: but also i need to know how to remove the metadata from the files
evilevilcouch@gmail.com: file*
evilevilcouch@gmail.com: when i export it
evilevilcouch@gmail.com: btw, can you take this off the record?
evilevilcouch@gmail.com: at the moment
evilevilcouch@gmail.com: in gchat
